☆ Day 1 ☆

December 1

“The people who walked in darkness have seen a great light.”

Isaiah 9:2

What it means

Have you ever waited for morning after a dark night? Long before Jesus was born, God promised light to people living in darkness. Their world was full of trouble, but God hadn’t forgotten them. Jesus is the promised light. Christmas begins with what God promised to do, not with what we have to do.

Talk about it

☆ What does a light help you do in a dark room?

☆ What did God promise his people?

Pray together

God, thank you for remembering your people and sending Jesus. Amen.
